A BILL FOR

An Act to amend section one hundred ninety-eight point eight
(198.8) in regard to manner of submitting statements
relative to the amount due on feed inspection.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section one hundred ninety-eight point eight
2 (198.8) is hereby amended by striking from line eleven (11) the
3 following words: "In due form of law" and substituting in lieu
4 thereof the following words: "before a notary public or a proper
5 employee of the department of agriculture."

EXPLANATION OF H. F. 427

In many communities in the state there is no notary public available and if the feed inspectors were authorized to acknowledge an oath given by a feed manufacturer it would be a convenience and a service to the manufacturer and save him time and perhaps a several mile drive to a notary public.
